

# Erwin Wils

Mindset coach & Business strategist,  
Turning Experts into entrepreneurs

After working 20 years in the corporate world, Erwin decided to start his own company. After 18 months working as an all-round master hypnotherapist, he changed his focus towards coaching and now he helps his clients to become the person that achieves their goals and beyond. He is specialized in the **mindset**, because whatever journey you want to take, it all starts with the right mindset. Based in the Netherlands, Erwin coaches all over the world. He loves to inspire people and awaken them, that there is more than they can think of.

## Erwin's most popular Media Topics

### 🔗 How we limit ourselves without realizing

Without realizing, everybody is limiting themselves by the frames they put themselves in. When you want to grow, you have to look past those frames. First step is become aware of the frames and Erwin has a very simple 3 steps test to become aware of that. And he has much more to offer with regards to the mindset.

### 🔗 Change your language, transform your life

For most people, language is just a tool to express themselves. But language is much more, it can actually change your mindset, behaviour and even transform your life in a positive way when you start using different words. Erwin has some great examples how everybody can change their lives with little tweaks of their language.

“When there’s a Wils, a better way will be”
